

NDUS Enrollments within 16 months of Graduation

Provide, for the State, for each LEA in the State, for each high school in the State and, at each of these levels, by student subgroup (consistent with section 1111(b)(2)(C)(v)(II) of the ESEA), of the students who graduate from high school consistent with 34 CFR 200.19(b)(1)(i), the number and percentage (including numerator and denominator) who enroll in an institution of higher education (IHE) (as defined in section 101(a) of the Higher Education Act of 1965, as amended (HEA)) within 16 months of receiving a regular high school diploma.

***To provide meaningful results and to protect the privacy of individual students, data are displayed only when the number of students in any group is at least 10. Data for groups less than 10 are displayed with a tilde (~).**
